Farmingville, NY – Councilwoman Jane Bonner recently visited the Andrew Muller Primary School in Miller Place to thank students for their participation in Brookhaven Town's annual Recycle Bin Art Project, sponsored by the Town's Waste Management Department. Participants were asked to paint recycle bins in an effort to encourage recycling throughout Brookhaven Town, specifically at the parks where they will be placed adjacent to garbage cans. "When it comes to recycling, you can always count on children to lead the way," said Councilwoman Bonner. "Thanks to the students at Andrew Muller Primary School, Brookhaven will be a cleaner, greener place to live."
